

Hello Lindbjerg Families,

Please find your 2010/2011 Registration Package attached. There are a few items that I would like to quickly bring to everyone's attention.

As always due to a number of variables such as age, level, and teacher recommendations, there will be some student movement this year. To simplify things **only the students that are required to move will be notified.**

We are really excited that next year there will be a renewed focus on **performances**. With "Simply Christmas" back, a new year end format, possible Show Choir performances, dance competitions, and of course, our main spring productions, there will be lots of opportunities to give your amazing performer the standing ovation they deserve.

The Lindbjerg Academy has always been known as having one of the best, if not the best, musical theatre programs in the Lower Mainland. As I've said before, as a director I always look forward to having children from the Lindbjerg Academy come and audition for my shows because of not only their talent, but also their preparedness and professionalism. I'm thrilled to announce that we are making strides to ensure that our dance programs are seen in the same light. To help this process along we introduced competition to several of the classes this year and not only did our students perform amazingly well, (two silvers and a gold) they had a wonderful time doing it. Dance will be a very large focus this year with some new classes such as Hip Hop, as well as some new teachers who will bring a wealth of experience to our team.

We have made an effort to streamline our dance programs this year. The classes are more age and ability focused. In some cases the class levels had to be changed while in others they stayed the same. Class sizes have been adjusted to ensure the best possible student/teacher ratio. All students will thrive and be challenged whether their class level changed or remained the same.

Our goal is to have the best possible Musical Theatre, Dance, and Vocal Academy in the Lower Mainland.
