

Hello Lindbjerg Families,

First of all many thanks to everyone for such a wonderful year ... it was a bit crazy at times, but still a wonderful year.

As I mentioned in a past email there are some really exciting changes coming to Lindbjerg and one of them has to do with online registration. Although the official new online registration system will not be in place in time for this year, we will still be going with an in-house registration system to help save you time.

You will be receiving an email in the next few days that has all of next year's registration information on it. Returning Lindbjerg students have until June 19th to register after which time it will open to the public.

You have two choices on how to register.

- 1) Fill out your registration form online and email it back to us. We will enter all the information into our system. Then drop off your payment information (i.e. post dated cheques) to us at the Kyle Centre on Saturday June 19th between 9:00 a.m. – 1:00 p.m.
- 2) Print and bring your completed registration form and payment information (i.e. post dated cheques) to the Kyle Centre on Saturday June 19th between 9:00 a.m. – 1:00 p.m. We will then enter your course selections into our student master list.

We are also happy to offer two new **discount programs** for Lindbjerg students this year to help offset the "*wonderful*" HST that is about to be implemented.

- 1) The maximum a student needs to pay for courses at Lindbjerg has been reduced from \$270 to \$250 per month.
- 2) Any student taking more than two classes will receive a 10% discount on the subsequent classes. (discount applied to lowest cost classes)

We are also very close to making the official announcement regarding our new facility, which is only 10 minutes from the Kyle Centre. Watch for more information coming very soon!!!

If you have any questions please don't hesitate to contact us.

Thanks,

Chad and The Lindbjerg Team
