

Dear Lindbjerg Parents,

Thank you so much to everyone who has either donated or lent us props so far. There are still some outstanding items that we need for the show, so if you are able to provide them, we would be most appreciative! Here is what we still need:

1. Treasure Chest Goodies: We are looking for knick-knacks and trinkets that have an old feel to them, such as old looking shiny jewellery, rolled up rugs (small in size), metal vases, etc. Large items, such as statues, old looking lamps, etc. would also be appreciated. The more things we have, the more the stage will have the feel of a cave full of treasure. We would prefer to not have any plastic, as this doesn't quite fit in with the theme.
2. Microphones: We need 4 more.
3. Scrolls: We need two ancient looking scrolls.
4. Cowboy Hat and Chaps

That's it for now. If you are able to drop them off at either Kyle Center or Evergreen this Saturday, there will be a plastic bin at both locations to collect items. I am also able to pick up from your home if you are unable to drop them off at class on Saturday. Please email me at celestehambleton@hotmail.com if that is the case.

Thanks again for your support!
