

Hello Lindbjerg Families,

Well the fall season is fully upon us and I'm happy to let everyone know that things are really humming along at the Studio. The songs for Simply Christmas are being rehearsed as well as auditions are happening in the production classes.

Things are moving very quickly and I would like to remind everyone that to ensure we are all able to put on the best productions possible, we need everyone to make their best effort to attend all classes. It is very difficult to complete choreography, staging, or casting when people are missing, not to mention how extremely challenging it can be to try and have people catch up. Therefore please be advised that if your child is not in class while we are choreographing a song it may affect their participation in the portion of the number that they miss.

Thanks to everyone for their understanding in this matter. We are all very excited about the coming year and are sure it will be the best and most spectacular one yet.

If you have any questions or concerns please do not hesitate to contact me.

Thanks,
Chad
