

December 10, 2009

Dear Rising Stars and Parents,

As you know, our production preparation for *Aladdin* is well underway.

Beginning now until January 30, 2010, we are starting to collect bios and taking headshots. **Headshots for the Rising Stars are scheduled for Saturday, January 23rd during class.** We will pull them out of class for their photos.

“Headshot” is an 8 x 10, black and white photo of your child. This photo will be displayed in the theatre lobby during the run of the entire show and the bio in our production program. Anita Wood will be taking the photo. You can visit her website at www.portraitsbyanita.com.

Guidelines for bios and headshots:

1. Bring **\$25.00** on the day your child’s picture is scheduled. This will give you a copy of your headshot plus a disk with all your photos taken that day. If you opt not to buy the disk, your headshot is \$15. Cheques should be payable to Lindbjerg Academy.
2. What to wear for headshots? Hair? Make up?
 - a) dark coloured shirt (simple pattern or plain)
 - b) layers (like a coloured shirt and another shirt underneath, vest on top)
 - c) textures look especially good in black and white photos
 - d) avoid light colours and avoid plain high neck t-shirts (turtleneck shirts)
 - e) hair must be neatly combed, pinned
3. “Bios” should **be NO more than 100 words** and should be typed and emailed to Abigail at awdiking@gmail.com (please do not hand them into the teachers). Bios are due no later than **January 30, 2010**. We will not do any editing so have somebody proofread it before emailing.

Please have your son or daughter arrive to class prepared and ready to go.

Thanks.

The Lindbjerg Team
