# A NOTE FROM THE ARTISTIC DIRECTOR

Are we really back?

That is a question I've been asking myself ever since the restrictions began slowly lifting several weeks ago. I've tried my best not to get too excited, knowing full well, as we all do, how quickly things can change but I can't help myself. For the first time in three years, we are heading into a regular show season at Lindbjerg and I can't help but feel excited. Excited that we were once again able to travel to Disneyland with our Glee and Show choir classes to perform and participate in workshops. Excited that our students will be able to experience theatre with a live audience. Excited that after all our hard work over the past couple years we're

starting to get back to what we all love, live theatre! I am so proud of our students, teachers, families, and staff. We've had over two years of challenges, setbacks, and roadblocks but through it all we came together and did what we had to do to ensure our studio survived. I'm so excited to share the coming productions with everyone and I hope everyone has a wonderful time experiencing them LIVE!!!

On with the show!!!
